**Terms and Conditions of the Monthly Pass 1
(Sheung Shui / Wu Kai Sha - East Tsim Sha Tsui),
Monthly Pass 2 (Tuen Mun - Nam Cheong),
Monthly Pass 3 (Tuen Mun - Hung Hom),
Monthly Pass 4 (Tung Chung - Nam Cheong)
and Monthly Pass 5 (Tung Chung - Hong Kong)**

Part 1 : General Conditions

1. The Monthly Pass 1 (Sheung Shui / Wu Kai Sha - East Tsim Sha Tsui), Monthly Pass 2 (Tuen Mun - Nam Cheong), Monthly Pass 3 (Tuen Mun - Hung Hom), Monthly Pass 4 (Tung Chung - Nam Cheong) and Monthly Pass 5 (Tung Chung - Hong Kong) ("Pass") can be encoded on any valid Octopus or Octopus product ("Octopus"). The validity period is stored on the Octopus microchip.
2. The Pass is valid for unlimited travel between the designated MTR stations and on feeder connections as specified in Parts 2 to 6 of these Terms and Conditions.
3. For passengers using a Pass to travel between the designated MTR stations and connect to non-designated stations (except for the cases stated in Clause 22 of Part 2), an additional fare for the connecting journey is charged. The fare is based on the lowest Octopus fare from any interchange station designated for the Pass to the non-designated station, less a 25% discount (except for East Rail Line First Class Premium, journeys on the Airport Express and journeys to or from Lo Wu and Lok Ma Chau stations). The discount is rounded to the nearest ten cents. If the discounted fare is higher than the normal Octopus fare from the entry station to the exit station, the lower fare will apply. **If both the entry and exit stations are not designated stations of the Pass, the normal Octopus fare for the whole journey from the entry station to the exit station will apply with no discount.**
4. The Interchange Discount, the Fare Saver Discount and the Early Bird Discount also apply to Pass journeys when travelling beyond designated stations (except for East Rail Line First Class Premium), and where the total discount amount is not higher than the rail fare deducted. Early Bird Discount is calculated based on the discounted fare set out in Clause 3 (if applicable). For details of the Interchange Discount, the Fare Saver Discount and the Early Bird Discount, please refer to the respective promotional leaflets.
5. An Octopus encoded with both the Monthly Pass 1 (Sheung Shui / Wu Kai Sha - East Tsim Sha Tsui) and the Monthly Pass 2 (Tuen Mun - Nam Cheong) for the same month are eligible for unlimited standard class travel on the East Rail Line (except Racecourse, Lo Wu

and Lok Ma Chau stations) and Tuen Ma Line during the validity period.

6. Except for the Monthly Pass 1 (Sheung Shui / Wu Kai Sha - East Tsim Sha Tsui) encoded together with either the Monthly Pass 2 (Tuen Mun - Nam Cheong) or the Monthly Pass 3 (Tuen Mun - Hung Hom), other Passes cannot be encoded on an Octopus that is already encoded with a Pass.
7. The Pass is not valid for East Rail Line First Class travel. Passengers travelling in First Class must obtain validation through the First Class Processor and will then be charged the First Class Premium when exiting the station. Users paying the First Class Premium will not receive any Interchange Discount or Fare Saver Discount.
8. A usable remaining value must be maintained on the Octopus when the Pass is used for travel on the Green Mini Bus ("GMB") specified in Parts 2 to 4, for First Class travel and for any journey where the Pass is not valid.
9. For travel on the designated free feeder connections, the Pass holder must touch the Octopus to the Card Processor in the usual way. When travelling on Light Rail, the Pass holder must wave the Octopus over the Entry Fare Processor before boarding and to the Exit Fare Processor after completing the journey.
10. For enquiries concerning the validity period of the Pass, please go to any MTR Customer Service Centre at stations or MTR Octopus Enquiry Processor.
11. A receipt will be issued when a Pass is purchased or renewed and it should be carried with the Octopus for verification in the event that the Octopus malfunctions.
12. If an Octopus encoded with a Pass malfunctions, it should be returned together with the Pass receipt to any MTR Customer Service Centre at stations where Passes are for sale. Once the information has been verified, the Pass can be transferred to another Octopus. Under certain circumstances, passengers may be required to buy a new Octopus to continue using the Pass.
13. Should a Pass encoded on a Sold Octopus malfunction (including but not limited to an Octopus Watch or a Special Octopus), MTR will cancel the Pass on that product and return the Sold Octopus to the holder, who will have to provide another Octopus to continue using the Pass.
14. If a Personalised Octopus or Octopus with Automatic Add Value Service is lost, it must immediately be reported to Octopus Cards Limited by calling the hotline on 2266 2266. The passenger must then go

to any MTR Customer Service Centre at stations to apply for a replacement Pass. MTR will issue a replacement Pass as soon as possible, but the passenger will be responsible for any travelling expenses incurred before the replacement Pass is issued. If a Pass encoded on an Octopus that is not a Personalised Octopus or an Octopus with Automatic Add Value Service is lost, a replacement Pass will not be issued.

15. The Pass is non-refundable, non-replaceable and non-transferable to another Octopus under any circumstances except as specified in Clauses 12 to 14.
16. The Pass can be used by one passenger only and cannot be shared with other users.
17. Passengers must present their valid Octopus for inspection upon request or they will be liable to a surcharge and prosecution.
18. The Pass is issued for promotional purposes only. The promotion period is from 24 June 2023 until further notice.
19. The Pass is subject to MTR By-laws, the Conditions of Issue of Tickets and the Conditions of Issue of Octopus.
20. The Contracts (Rights of Third Parties) Ordinance shall not apply to the terms and conditions herein.
